BIG IDEA

After God saved Noah, his family and the animals in an ark, He made a rainbow as a symbol of his promise to never flood the earth again. Genesis 6-9

MEMORY VERSE

Verse: Genesis 9:16 "Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of every kind on the earth."

Phrase: God's promises are beautiful!

PREPARATION & MATERIALS

- colored paper for background
- colored paper or tissue paper for rainbow
- glue sticks

EXAMPLE

INSTRUCTIONS

Spread out among the children so all of the children are near to a Team Member. Pass out background paper, glue and colored paper/tissue paper

Team Member show examples of paper rainbows. Demonstrate how to tear pieces of colored paper and arrange them in an arc. Explain how rainbows are made when sunlight passes through rain and splits into colors which are always arranged in the same order: red, orange, yellow, green, blue, indigo, purple. This is a wonderful example of God's creativity and order. Allow kids to be creative with their rainbows.

While they work tell them about God's promise and the symbol of the rainbow. Discuss some other promises in the bible (Deuteronomy 7:9, Joshua 1:9, I Samuel 15:29, Psalm 32:8, John 3:16)

If telling a bible story is not an option then simply repeat the phrase, "God's promises are beautiful!"
